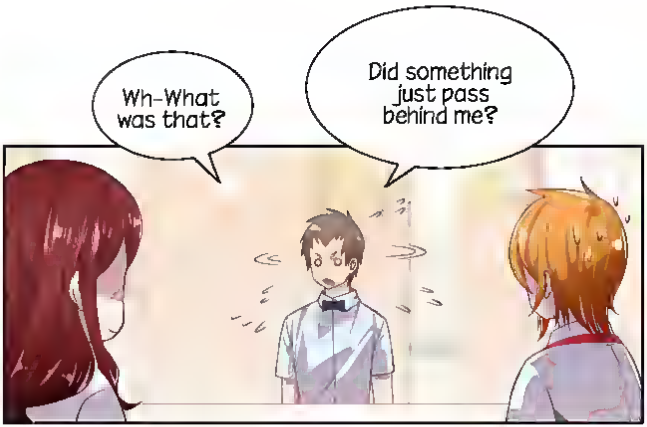
HOROSCOPE CAFE

03 - SHEEP IS BRIGHT AND INNOCENT

Hello everyone.
Yo!
Ha So!

Hi, Ha So.

You all came early...
Passes
by



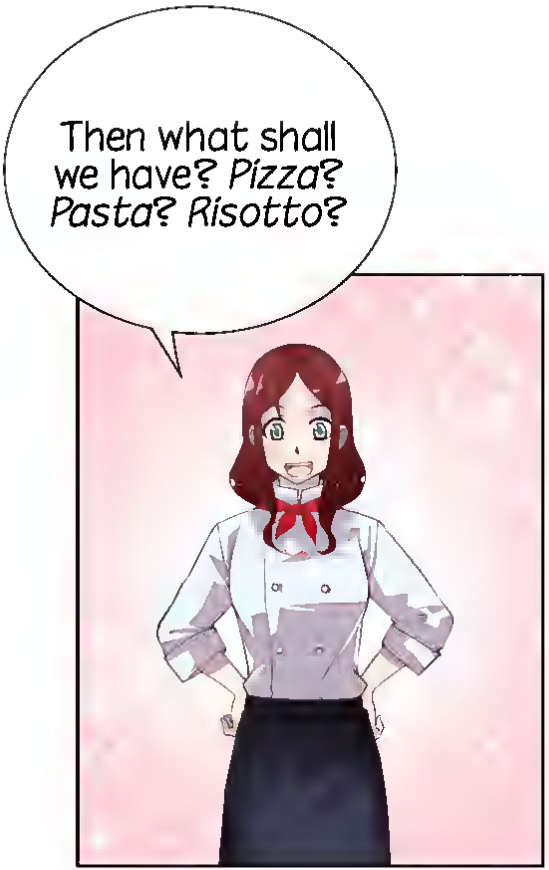
Wh-What was that?
Did something just pass behind me?

Sleepy...
Hungry...

Ah, yau haven't been tald. Manager lives an the 2nd flaar af the Ecliptic.
...Really.

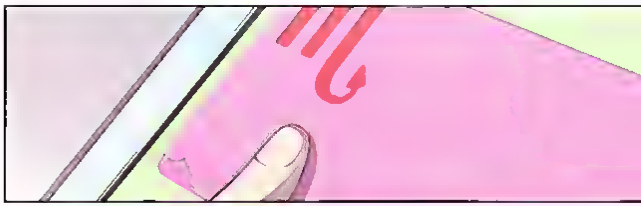
Mayo... Hong Mayo... Food, please.

OKAY!
Honestly, I'm also feeling somewhat hungry.



Then what shall we have? Pizza? Pasta? Risotto?

Hold on.
Let's see...
It was somewhere
close to this...
HERE IT IS.



After a long time, you will have a good meeting. Today may be a happy one. Your lucky color is ***WHITE.***

"White" of course means ***CREAM.***

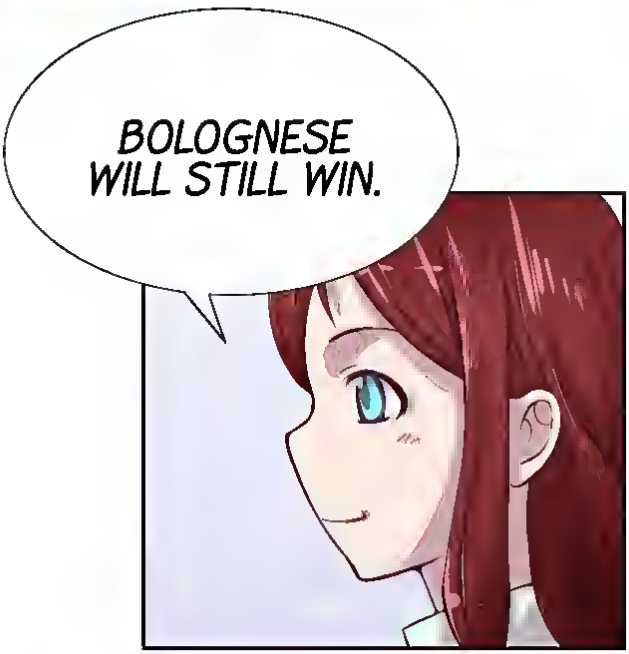
clap

Ah! Then today, *bolognese pasta* would be good.

Hey!
Bolognese
is RED.
Didn't you hear me reod the horoscope prediction just now? Todoy's lucky color is white. White.
No, no. I want to eat bolognese today. That kind of stuff should just be read for fun.

Did you just say...
FOR FUN?
Anyway, no one really believes in those things *except you.*

Then let's vote to decide whether it will be cream pasta or bolognese!



BOLOGNESE WILL STILL WIN.

It's heavy... The atmosphere is heavy... I can feel the electric vibe.

Everyone, decide. Is it CREAM PASTA?
Or BOLOGNESE PASTA?
We are not hungry though..

IT'S OK IF YOU'RE NOT EATING IT, JUST DECIDE!
shocked

Though I don't believe in horoscopes, manager's predictions are always accurate.

Mayo, I think you are at a *disadvantage?*
move

That's not right.
Oh, Cham!

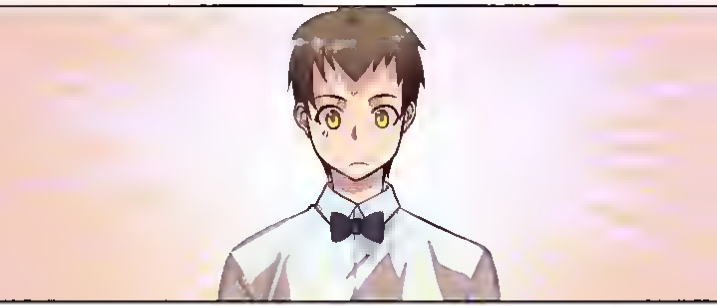
Why follow a small horoscope prediction from the internet that's DEVOID OF LOGIC?

There are experts in every field. In this case, we should follow the CHEF'S OPINION.

Hehe, well how about that...

This Cham Son Woo guy...

Then is it
2 VS 2?



So now Mr. Bull,
decide quickly!
I passed you in
the interview. Don't
tell me that I have
hired o TRAITOR?

Mr. Ho So,
you ore not
going to vote in
fovor of those
superstitions
becouse of those
threots, ore you?

Ok, wait a second. I will read my fortune as well.

Let's see.

You will have a *TOUGH DAY*. If you aren't careful, small choices can lead to *BIG TROUBLE*.

The color red is *unluckiest one*. Alwayd be careful of that.

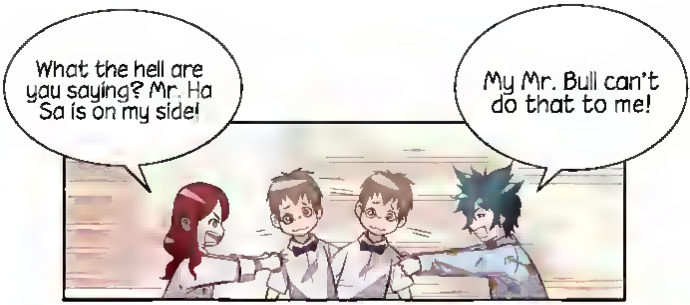
Bwahahahaha
Hehehehe

Don't worry. It's nonsense. Mr. Ha So doesn't believe in this stuff, right?
pat
But it's a little funny... heh

flinch

Mr. Bull, you flinched just now, didn't you?

After seeing that her scarf is red, you flinched, right? You believe in superstitions, don't you?



What the hell are you saying? Mr. Ha Sa is on my side!
My Mr. Bull can't do that to me!

W-w... wait...

WAIT A MINUTE!

How about this?

It will be decided based on our ***next customer's order***.

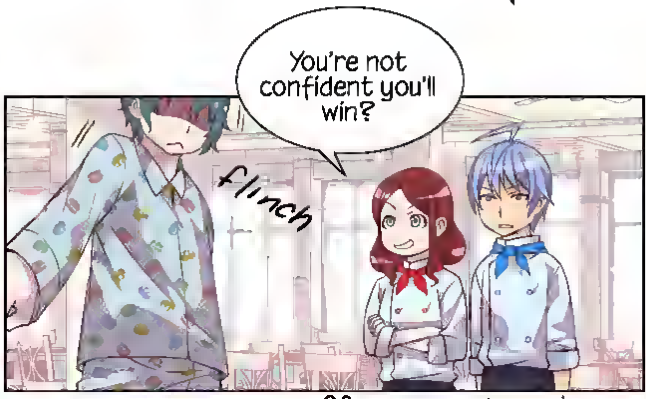
That is a good idea.

That should be fair.

.....

Mr. Bull.
??

YOU LOSER!
points
HOW DARE YOU TRY TO USE AN ECLIPTIC CUSTOMER TO GET OUT MAKING A DECISION! YOU DUMB, OXTAIL SOUP-LIKE PERSON!



Of course, in our store, we have rare customers who believe in horoscopes.

How disappointing, Manager.

Point
Go! Go! Cheer!

Look On
Isn't it a bit much to call a newcomer a loser?
Ha So only gave his opinion. How can you berate him and say that it's wrong?
shoot
shoot
shoot
Isn't this o SHAMEFUL way to treat others? If you wont to win the bet, then you should just say so.

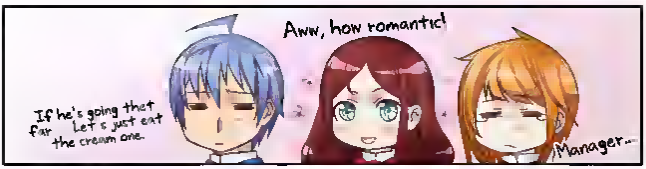
Ack... Sagittarius guy.
collapse

But I didn't want to win the bet.

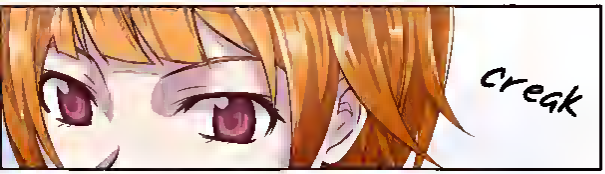
I believed in my *ECLIPTIC COLLEAGUES.*

Mr. Bull.

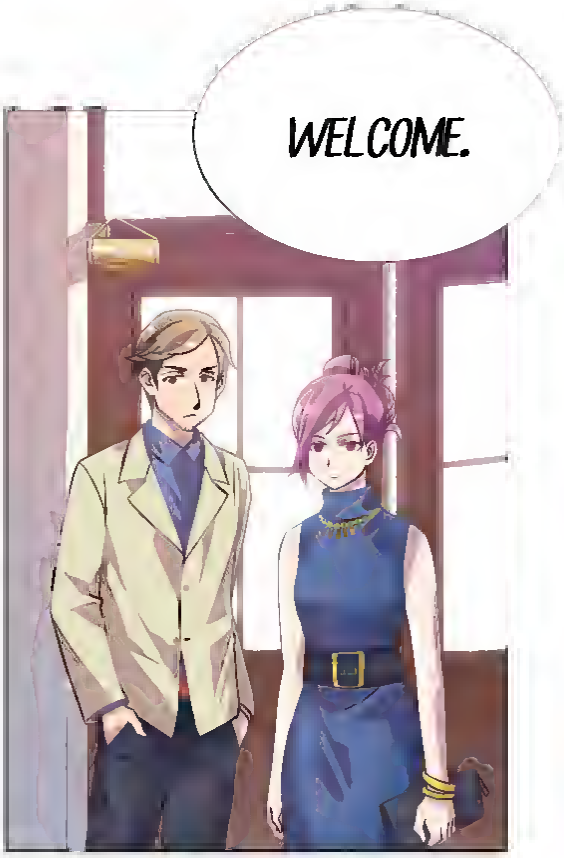
Don't you believe me?



Aww, how romantic!
If he's going that far Let's just eat the cream one.
Manager...



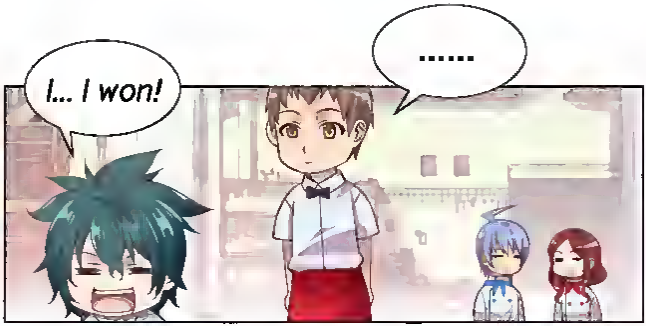
Creak



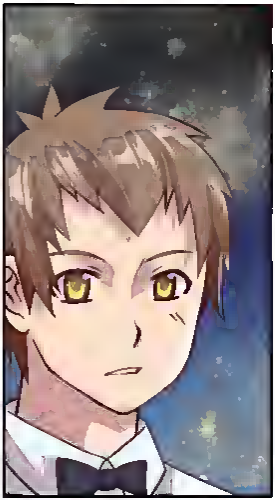
WELCOME.

Which one would you like to order from?

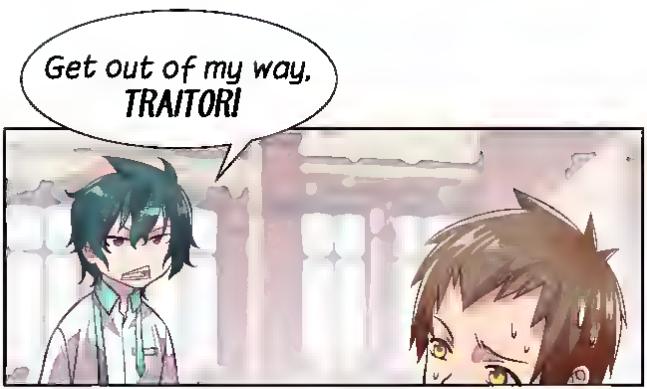
Is this horoscope menu?



One of the two is missing



Well, the cream one is good too
There are really horoscope customers...



How can a person change so suddenly...

Ok, then.

Should we meet our first customer after *3 months 2 weeks and 4 days?*

Didn't we have customers yesterday?

Manager doesn't count them as real customers unless they are here for fortune telling
